Tuition Un-enrollment for 2018-19

We understand that you would like to un-enroll your child for the 2018-19 school year. We have heard your concerns. We are saddened and surprised, and we want to respect the decision you have made.

You do have a signed contract for tuition payments for 2018-19, and we have the right to hold you to that. Out of respect for your family, we are going to release you from this contract and refund you any tuition payments made thus far.

Please sign your name if you would like to un-enroll receive a refund. You will lose your spot for the 2018-19 school year, as well you will have to reapply for tuition adjustment should you change your mind at a later date.

Sincerely,

Caroline Horner
Interim Executive Director
